LeanBiotics™

mini presentations

Learn about the latest technologies that can reduce fine lines & wrinkles, promote anti-aging, diminish or eliminate brown spots and sun damage and more! We can turn back the hands of time, really!

We will be demonstrating most of the treatments we offer all day! Stop by each room to learn about the treatment and in most cases, enter to win a complimentary treatment!

Come meet our Board Certified Plastic Surgeons, Gary D. Breslow, MD & Jordan P. Farkas, MD. Don't be shy, stop in and get your questions answered!

Botox, Filler & NovaThreads: Come by and see live demonstrations for Botox & Fillers administered by Melissa Giordano, RN, CANS, PSCN. Often wonder why and where different products are used? Learn about Nova Threads, the non-surgical facelift! Schedule an appointment for botox or fillers and receive 15% off your first treatment!

MicroBlading, Eyelash Enhancement, Scar Camouflage: Meet Vjera Vec. Her experience as a tattoo artist since 1991 is only one reason why her results are phenomenal! Book a treatment today & enjoy discounted event pricing.

Coolsculpting: A Non Invasive Fat Elimination Treatment. Enter to win a complimentary cycle!

MiraDry: Stop Underarm Sweating & Odor! Book today & receive \$200 off a treatment!

Laser Skin Resurfacing , Forever Young BBL & Hair Removal: Our Sciton laser offers multiple modalities and, in our opinion, is the best technology in the industry! 10% off Already Discounted Pricing when you buy a package today!

Dermal Infusion: Move over Microdermabrasion! The Medical Spa at The Breslow Center always offer the latest, most effective treatments! Come see a live demo & enter to win a complimentary treatment!

MicroNeedling & Chemical Peels: Come by and learn about stimulating collagen with microneedling with PRP & about the benefits of Chemical Peels. Enter to win a complimentary treatment!

Siggy Flicker Book signing: Real NJ Housewife & Relationship Expert will be signing her book, *Write Your Own Fairytale*.
